Commemorative Opportunities

For Cardinal Wuerl North Catholic High School in Cranberry Township

*Preserving, strengthening and passing on
the best of North Catholic High School*

FOR THOSE WHO FOLLOW IN OUR FOOTSTEPS

AN INVITATION FROM BISHOP DAVID A. ZUBIK

My friends,

Throughout our lives we have benefitted from sacrifices made by those who went before us. Certainly for me and perhaps for you as well, quality, affordable Catholic education was one of those priceless investments others made in our lives.

Often it was a combination of our grandparents' and parents' strong faith, and the sacrifices the sisters, brothers, teachers and coaches made for us that laid a solid foundation for our lives. Since 1939, North Catholic High School has been providing a competitive education, faith formation, life skills and experiences that have made a difference for thousands of successful graduates like you.

For several years, the leadership of North Catholic and the Diocese of Pittsburgh have been working closely together to plan for and construct a great new Catholic high school in the northern tier of the Diocese where it

is most urgently needed and in great demand. Our planning team remains committed to preserving the legacy, heritage and Marianist tradition of North Catholic High School for future generations. At the same time, in recognition of the tremendous contributions made by Cardinal Donald W. Wuerl of Washington, D.C. during his 18 years as Bishop of Pittsburgh and his nationally-recognized leadership in Catholic education, it is most fitting that we dedicate this exciting project in his name.

Cardinal Wuerl North Catholic High School will honor a great son of the Church of Pittsburgh and preserve the name and heritage of North Catholic.

The time is now when your help is needed to make this significant investment possible. I believe that the Holy Spirit is inviting us to make our sacrifice today for the benefit of the students, the Church and our region of tomorrow. Please respond as generously as you are able. Thank you for your prayerful consideration, and your continued support.

Grateful for our belief that "Nothing is Impossible with God," I am

Your brother in Christ,

+ David A. Zubik

Most Reverend David A. Zubik
Bishop of Pittsburgh

PRESERVING THE
HERITAGE, MARIANIST TRADITION AND SPIRIT OF

North Catholic

AN URGENT LETTER OF INVITATION TO THE GRADUATES OF NORTH CATHOLIC HIGH SCHOOL

The moment we have long awaited has finally arrived. After years of planning and much hard work, we now have the best opportunity ever to ensure that the heritage of North Catholic High School is carried forward for the next generations of "Forever True" students.

The Diocese has advanced \$8 million to secure a premier 71-acre construction site at the virtual epicenter of the region's sustained and projected growth. Demand for an excellent Catholic high school in that region is high and projected to continue rising.

A world-class team of architects and engineers headed by Louis D. Astorino, FAIA, has envisioned a 21st-century, LEED-certified Catholic school campus. Through the generosity of a grant from The Heinz Endowments, curricular consultants have been collaborating with Diocesan educational planners on best practices for a leading Catholic secondary school as a model for the nation.

The time is now. We invite you to consider carefully the many commemorative opportunities that are presented within the pages of this booklet, "What We Have Inherited in Trust." In recognition of the generous investments so many people made in you, what will be your legacy to the students who hope to walk in your footsteps?

Join us as a proud member of the North Catholic family who wants to "pay it forward!" In your own name, your parents' or family's name, in the name of a beloved teacher or brother, make an investment now, payable over the next three to five years. **Fortes in Fide!**
